

1.

Our love is like the winter sometimes it's cold but should we sit close together
like two pigeons that together find a piece of bread.
Sometimes you're angry, shy, evil but makes you beautiful.
Sometimes it's like we're alone on the Earth but that's just because we think together.
Like a fish can't do without water can I can't do without you.

2.

LOVE

Love is such a beautiful word, but it also can be so cruel.
It can make you laugh, but it can also make you cry.
Love can make you happy or just very sad.
I wish love never has to hurt.

3.

I saw you and I fell in love
We are forever together
And I climb to above
We are forever
Will you be my Valentine forever?
Never mind, I'll find someone like you.

4.

Mon amour,
J'aime tes cheveux blonds.
Tu as les yeux bruns.
Tu es très joli.
Tu es mon chérie.

5.

TOI
Tu es ma raison, mon cœur, ma vie.
Tu es tout pour moi.
Je veux qu'on va rester toujours ensemble.
Je veux une longue... jolie vie avec toi.
Je veux avoir une petite famille avec toi.
Une maison pleine d'amour et beaucoup de chance.
Il y a seulement une personne qui peut
me réaliser ce rêve et c'est toi, mon amour , parce que je t'aime pour toute ma vie.

Valentine

On a day Cupid was at my door.

And what did he have for me?

A handsome boy!

In my thoughts there were hundreds of thousands of hearts above his head.

He looked into my eyes

He brought his head closer and closer at me and then ... PLOEF

He was gone.

7.

Saint – Valentin

Un jour Cupide est à ma porte.

Et ce qu'il avait pour moi?

Un joli garçon !

Et dans mes pensées il a mille cœur à la tête.

Il me regarde dans mes yeux.

Il porte la tête plus proche et plus proche de moi

Et un moment plus tard... PLOEF

Il est parti.

8.

Love...

An unexpected feeling deep inside

that never stops.

Those moments together

when my heart knocks.

It's like a magic potion.

I know you gave it to me

like a kiss with emotion.

You're like the one

I saw in my dreams.

Full of beauty, charm,

and it's never what it seems.

One day I'll be gone.

Remember me

like a love song.
